Things change. People change. Times change. Emanuel Lutheran Church is on the threshold of changes. As we go forward and strive to grow God's people by providing worship experiences, Bible studies, service opportunities, and fellowship events; let us remember that God changes not. God's love is constant and true.

We need willing hands and hearts for our many ministries. Please check any task you are willing to do in the coming year. In order for an accurate listing of all current ministries and its members, **please fill out one sheet per person.**
